

Economía circular. Ciudades circulares

Octubre 2022

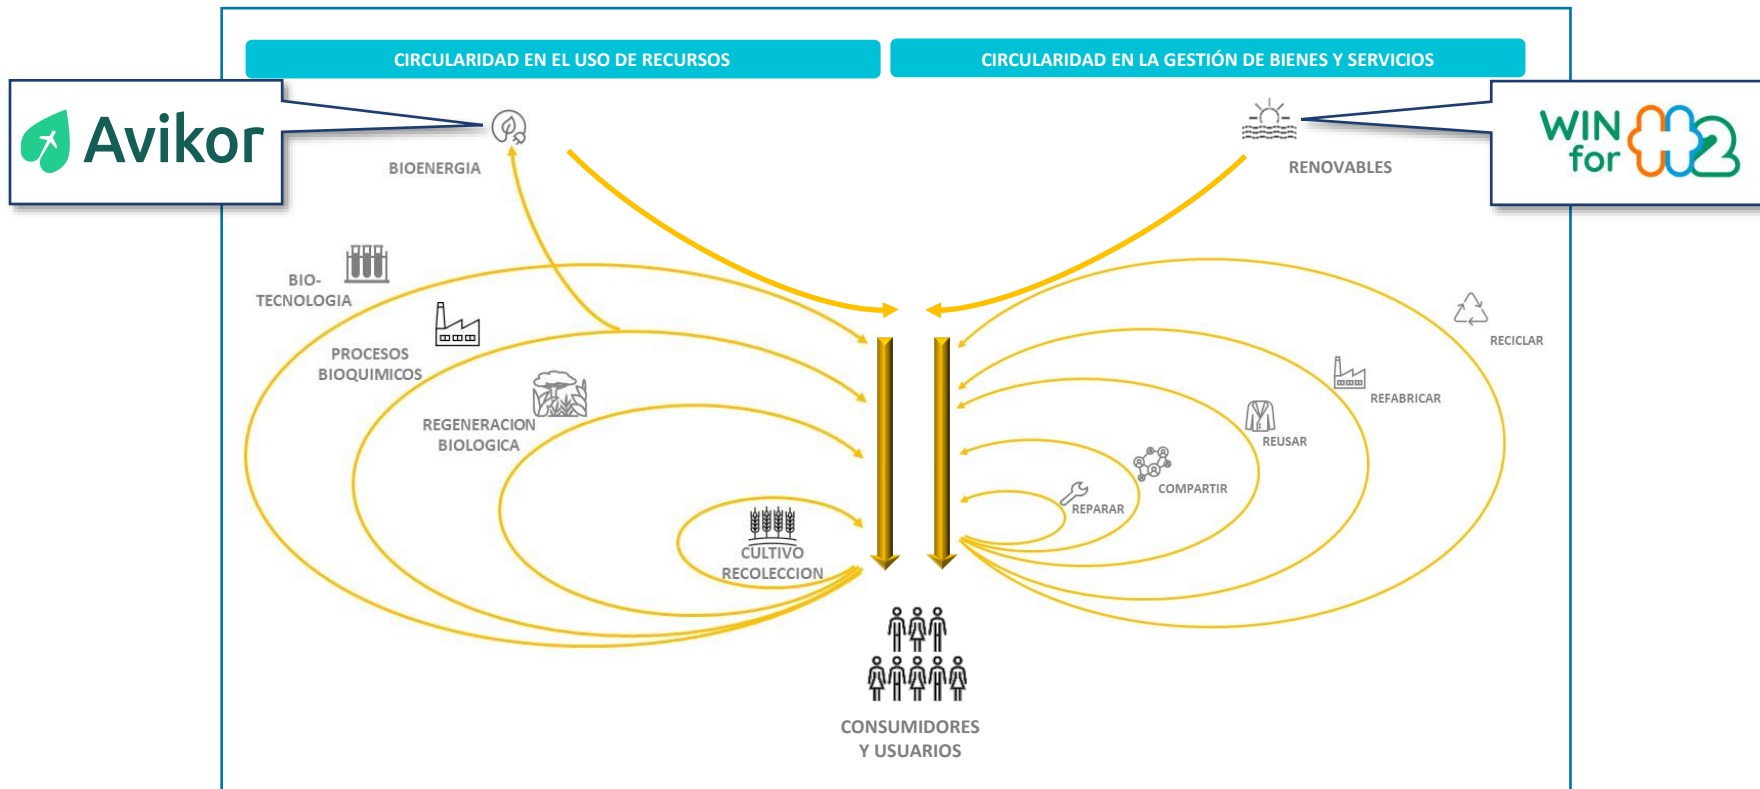

1. PRESENTACIÓN

2. ECONOMIA CIRCULAR. PROCESOS CIRCULARES

3. ECONOMIA CIRCULAR. MODELOS CIRCULARES

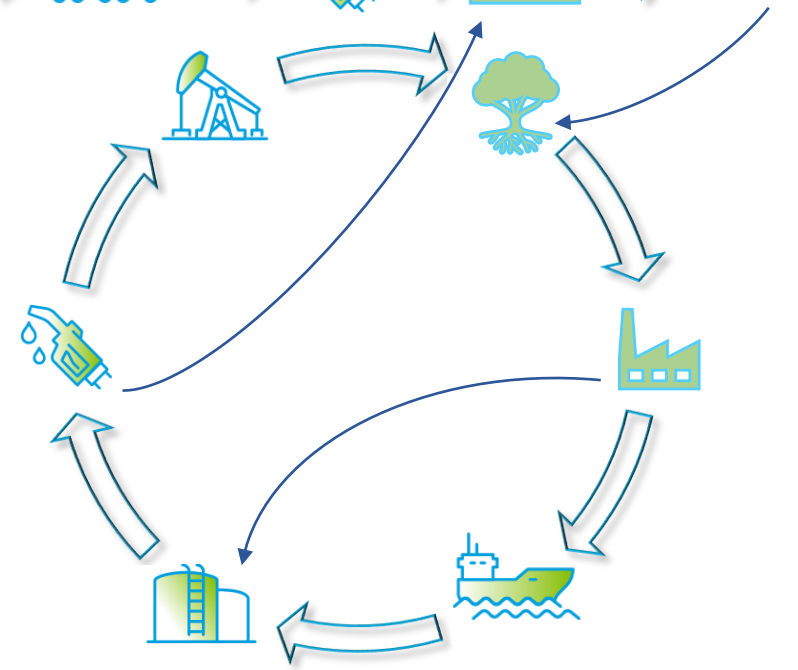

3a. DESCARBONIZACION TRANSPORTE AEREO. AVIKOR

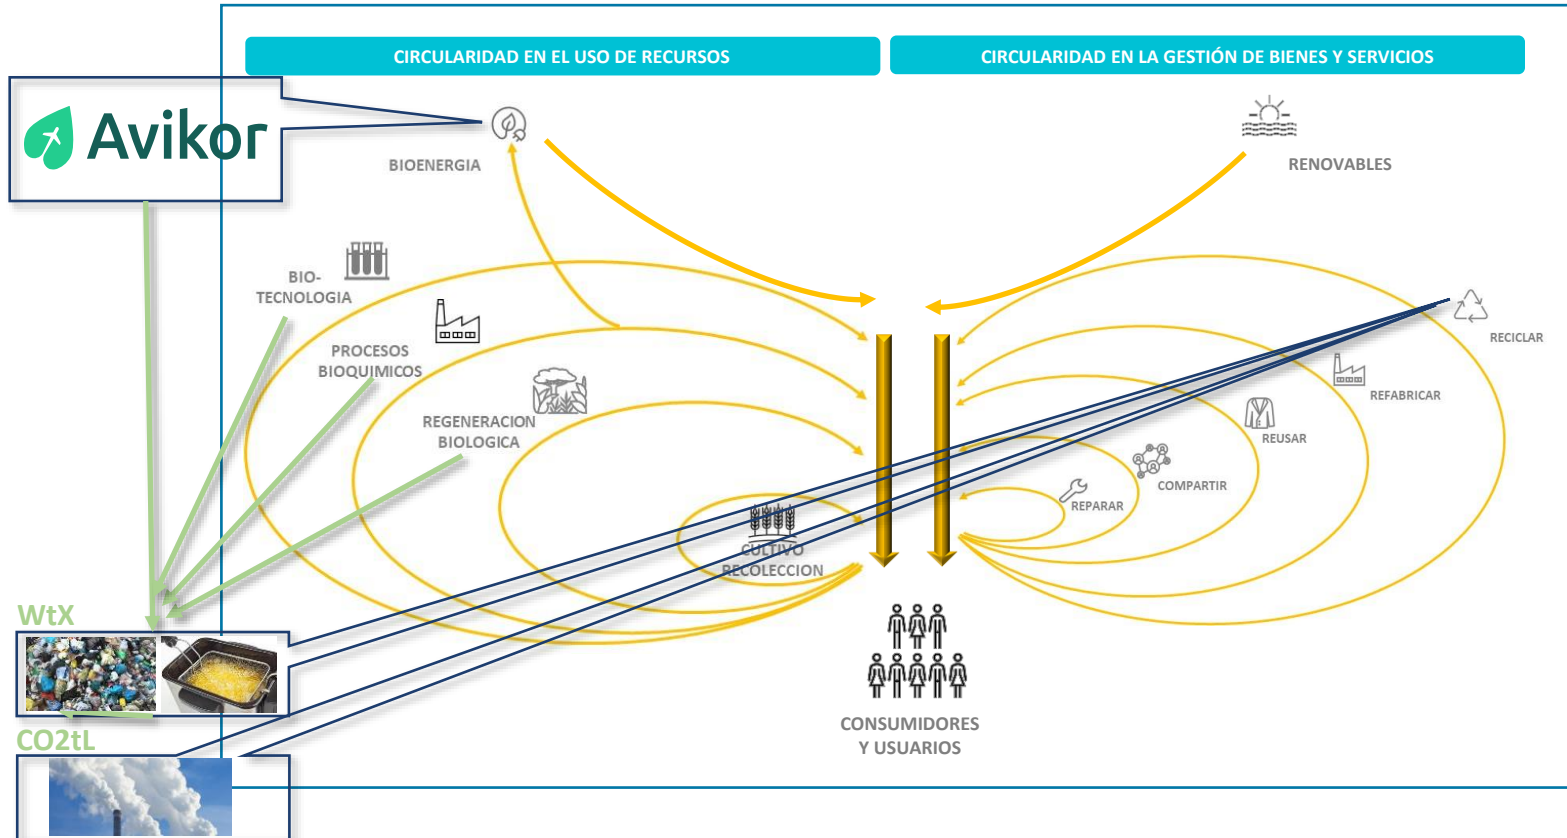

The screenshot shows the Avikor website's payment interface. The main heading is "¿Cómo prefieres pagar?". There are two columns of information:

- Left Column:** "¿Quieres pagar con tu Crédito de vuelo?" with a dropdown menu. Below it are icons for "Tarjeta", "PlayPal", and other payment methods. A note at the bottom states: "Una vez completes los datos de pago, es posible que seas redirigido a la página de tu banco para validarlo con la máxima seguridad (Directiva europea de Servicios de Pago - PSD2)." There is also a "vueling" logo and a "Datos del pago" progress indicator.
- Right Column (Tu plan de viaje):** "Ida 31,99 €", "BICN 31/10/2022 LCG 08:52 h 08:40 h", "Servicios 1,88 €", "Precio final 33,87 €".

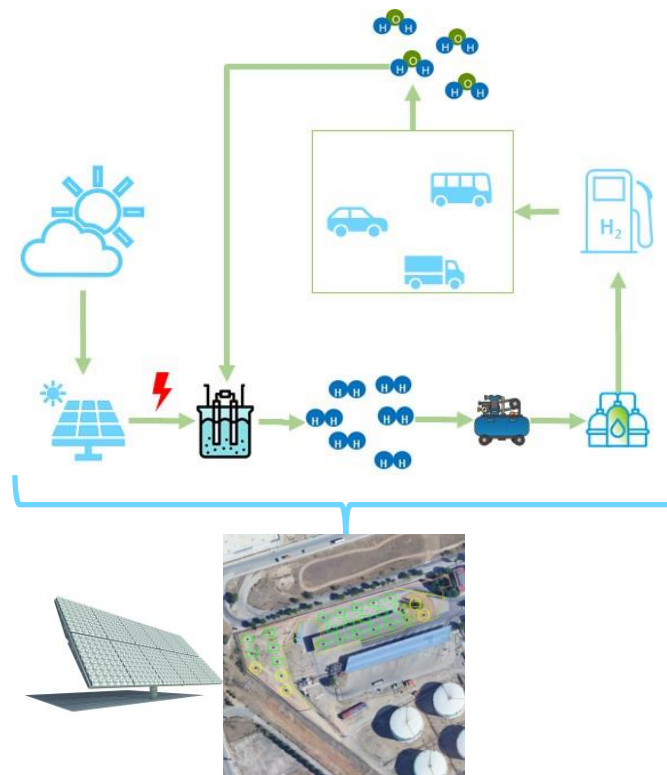

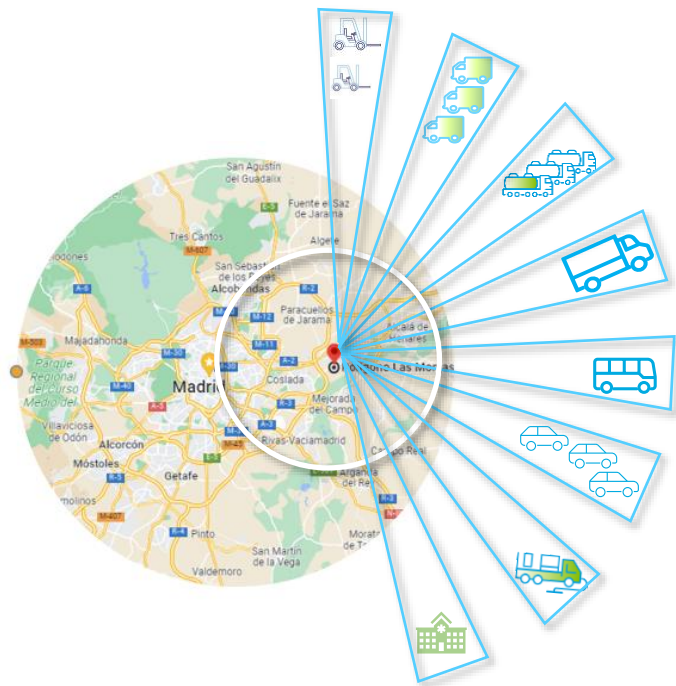

Below the payment page is a map showing the location of Avikor in Torrejón de Ardoz, near the A403 highway and the AEROPUERTO. The Avikor logo is at the bottom right of the map area.

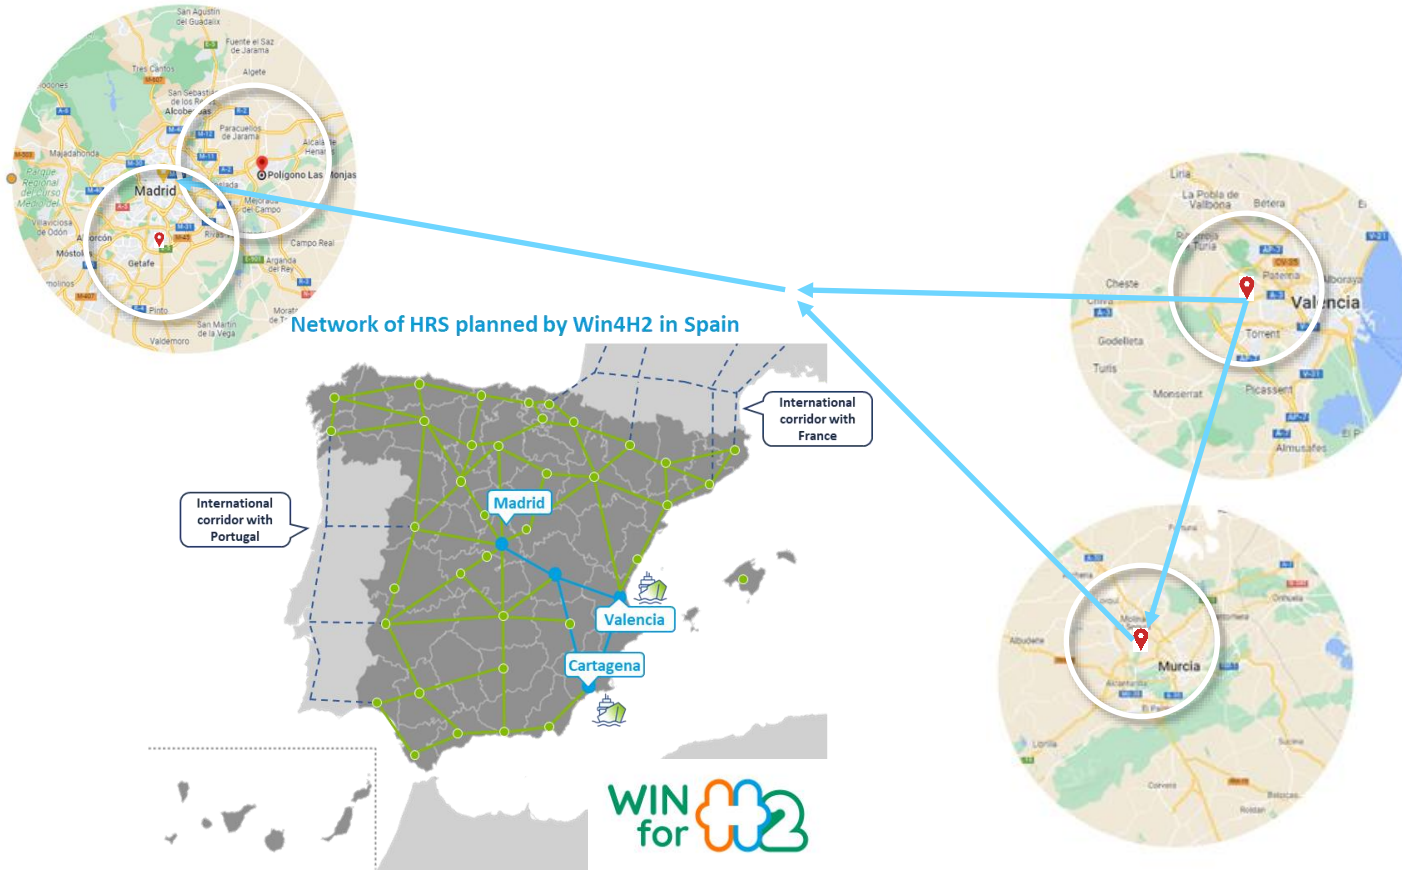

3a. DESCARBONIZACION TRANSPORTE AEREO. ENFOQUE HOLISTICO

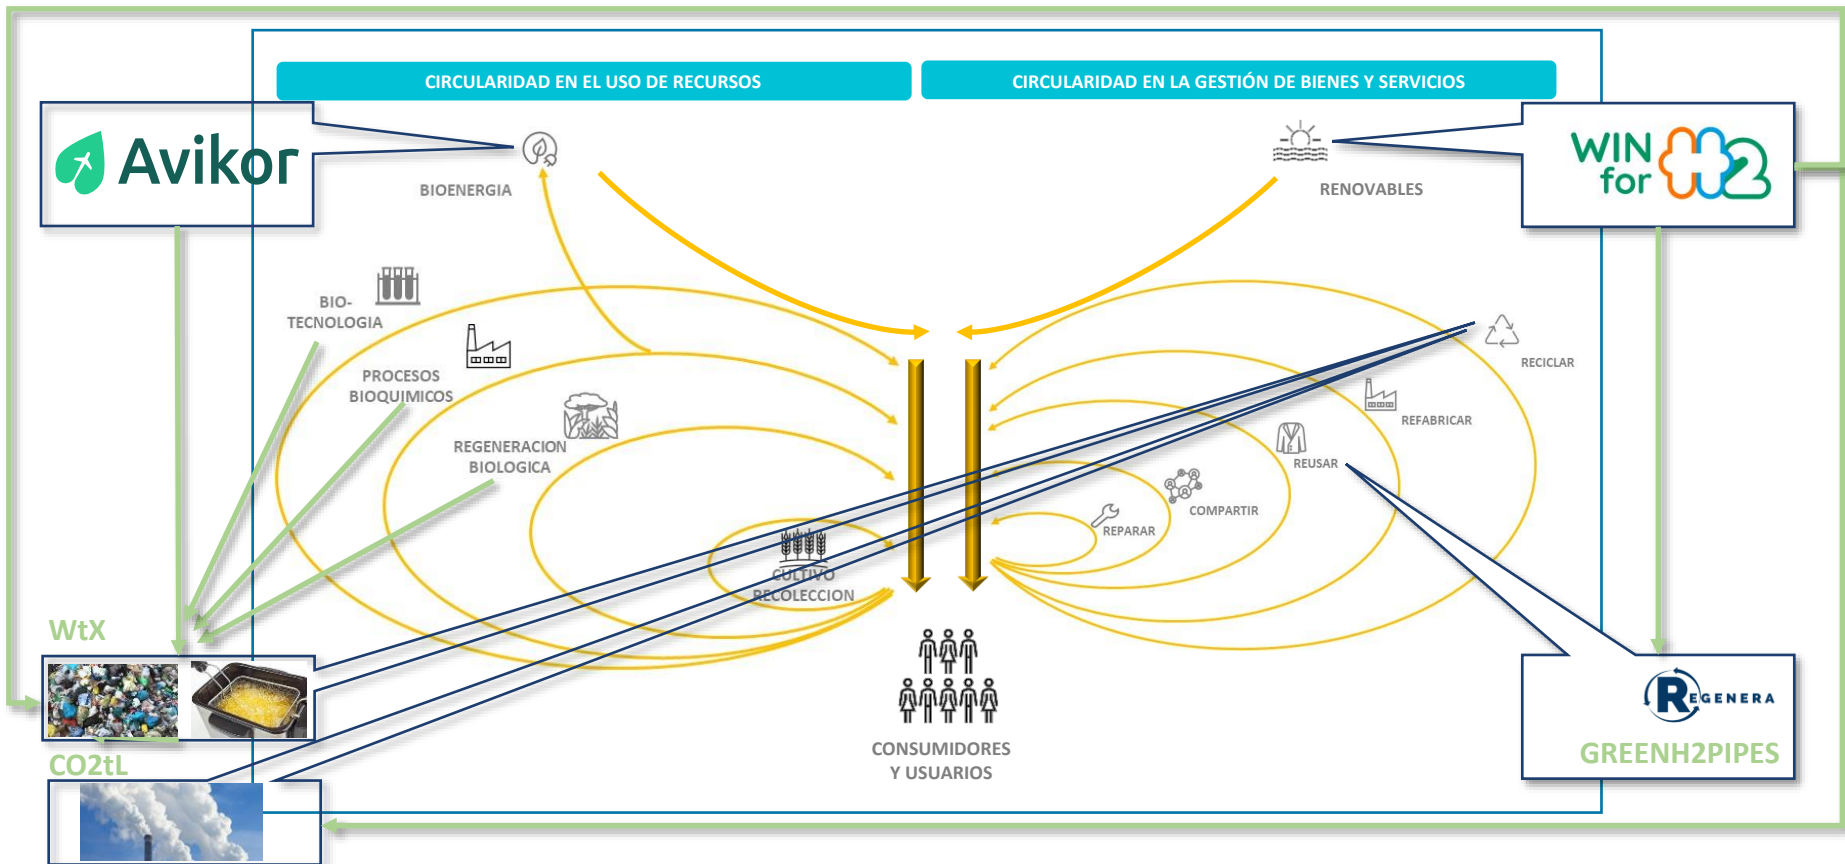

3b. DESCARBONIZACION DE LA MOVILIDAD HyH: HIDROGENARES.

3b. DESCARBONIZACION DE LA MOVILIDAD WIN4H2

4. ECONOMIA CIRCULAR. ENFOQUE HOLISTICO
